

Graduation Really Achieves Dreams

February 2009

Dear Partner,

Did you know that Project GRAD Lorain works with children and families throughout the Lorain City School district to ensure quality public school education for all at risk children in economically disadvantaged communities? What about the fact that after high school, our students are eligible to receive scholarships of \$1000 each year for up to four years? Well we do all this and more! GRAD stands for *Graduation Really Achieves Dreams* and we are confident that this holds true for Lorain City School students. **Project GRAD Lorain would like to offer hope to Lorain students and families with the message that college is attainable.**

We are proud to announce that we will be hosting a ~~%~~Stepping into College+Talent Exhibition. The goals of this event are to 1) raise awareness about Project GRAD Lorain, 2) expose not only Project GRAD students, but also the Lorain community to collegiate life, and 3) to raise funds, as 100% of the proceeds for this event will go toward providing scholarships for Lorain youth. Step teams from colleges and universities will be participating in the show. Anticipated turnout is over 1000 people. This event will take place on Saturday, April 4, 2009 at 6 p.m. at Lorain Admiral King High School, 2600 Ashland Ave, Lorain, OH 44052.

Enclosed you will find a variety of ways to support this one-of-a-kind event.
